By Merchant's Story
A merchant relates the following: "For years I could not sleep without turning every hour. Whatever I ate caused gas and sourness. Also had stomach catarrh. ONE SPOONFUL buckhorn bark, glycerine, etc., as mixed in Adler's-ka relieved me INSTANTLY." Because Adler's-ka flushes the ENTIRE alimentary tract it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has the QUICKEST action of anything we ever sold. Ralph Eberly, druggist, 27 North Broadway.

"No!—I said Calumet!"

"I want what I ask for—I know what it would mean to go home without it. Mother won't take chances—she's sure of Calumet—sure of light, wholesome, tasty bakings—of positive, uniform results—of purity and economy. You try CALUMET Baking Powder—lay aside your favorite brand once and you'll never go back to it. Calumet is the world's best Baking Powder—it's moderate in price."

EPISCOPAL SCHOOL INSTITUTE SUNDAY

The annual Fox River Valley Church School Institute of Episcopal churches will be held Sunday afternoon and evening at Trinity Episcopal church, Aurora. Delegates will be present from the various Episcopal churches along the Fox river valley and from Wheaton and Glen Ellyn.

The afternoon program will begin at 2 o'clock and will be held in the parish house. The speakers will be Charles C. Wolaver of St. James church, Dundee, who will talk on the subject "Cultivating Loyalty" to Church and School Among the Young People," and Franklyn H. Spencer of Chicago, field secretary of the middle west of St. Andrew's Brotherhood, a well known organization for men and boys in the Episcopal church in this country. Mr. Spencer will speak on the question of increasing the attendance at Sunday school and holding the boys from the ages of 12 to 15.

To Elect Officers.
There will be informal conference of the various departments of Sunday school work during the afternoon and officers for the ensuing year will be elected.

At 5 o'clock a supper will be served in the parish house to the delegates and at 7:30 o'clock there will be an evening service in the church. The Very Rev. Walter S. Pond, dean of the cathedral of St. Peter and Paul, Chicago, who is an Aurora boy and a former member of Trinity choir, will be the speaker of the evening. He will be entertained while in Aurora at the home of E. S. Hamer. A large congregation is expected to hear him.

ALL IS READY FOR "SCHOOL FOR SCANDAL"

All is set for the first performance of "The School for Scandal" this evening at the Fox theatre for the benefit of the Aurora hospital. Last evening a dress rehearsal was held at the close of the regular Fox program, the cast members remaining at the theatre until after 2 o'clock and it would really seem that the public should recognize such painstaking effort, and it probably will as the ticket sales have been good.

In addition to the young people named who have made posters for the play, three others have furnished drawings, Paul Reid, Miss Margaret Hall and Miss Agnes Stevens.

A number of Batavia residents are among the up-river people acting as patrons and patronesses, including Mr. and Mrs. H. N. Wade, Miss Lena Strang, Dr. and Mrs. F. H. Daniels, Mr. and Mrs. Herbert Windsor, Mr. and Mrs. H. N. Jones, Miss Marcia Snow and Mr. and Mrs. David Sperry.

SAYS WILL KEEP QUIET

A Batavia man got this instruction today: "Keep your mouth shut." He said he would obey. A United States marshal from Chicago called on him, after a complaint had been made that he was disloyal.

Miss Lillian Barr of River Forest is visiting her aunt, Mrs. A. A. Lindsey, at 91 North Spencer street. She expects to leave during the summer to join her brother, C. J. Barr, who is assistant librarian at Yale university.

Miss Lillian Miles of the Aurora public library, attended the Schwingel-King wedding at Kings, Ill., today. She will go on to Baraboo Wis., to spend Memorial day with Miss Witwen, formerly of the West High faculty.

Mr. and Mrs. J. W. Mitchler returned yesterday from a wedding trip in the east. Mrs. Mitchler was before her marriage Miss Lillian Krump.

Yesterday was the best day since the beginning of the campaign for 5,000 members in the local chapter of the Red Cross society. The various stations reported the receipt of \$113, bringing the total to \$284. One who has been very active in obtaining members reported today that some workers have been in the habit of providing buttons to prospective members before receiving the proper membership fee. The request has been made that any Red Cross workers who have indulged in this practice, get the dollar of those enrolling before supplying them with the Red Cross button.

The practice was responsible for the falling off of actual enrollments as set forth in The Beacon-News yesterday, when it was learned that but \$274 was being held in the treasuries of the various stations. The distribution of buttons was taken into account in reporting enrollments rather than the actual money collected.

Let us keep up the good work and join the Red Cross. One dollar gets a membership.

Thursday
The Loyal Daughters Sunday school class of the First Presbyterian church will meet with Miss Margaret Swanson, 450 South LaSalle street, this evening.

Twenty-five young women friends surprised Miss Anna Elpers last evening at her home in Jefferson avenue in honor of her approaching marriage. There were cards and music. Card honors went to Katherine Berscheid, Susan Jungius and Kathryn White. Luncheon was served. Miss Elpers received a number of pieces of cut glass.

Mrs. C. H. Smith of West Park avenue and daughters, Miss Edna Smith and Mrs. Albert Love, have returned from Hawaii where they spent the winter.

Lift Corns Off With Fingers

Doesn't hurt a bit! Corns and calluses loosen and fall off! Magic!

Few drops of Freezone take all pain and soreness from corns instantly

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift off, without a particle of pain or soreness.

Wonderful discovery by Cincinnati man

This remarkable drug is called Freezone and is a compound of ether discovered by a Cincinnati man.

Ask at any drug store for a small bottle of Freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callus. Put a few drops directly upon any tender, aching corn or callus. Instantly the soreness disappears and shortly the corn or callus will loosen and can be lifted right off with the fingers. Freezone doesn't eat out the corns or calluses but shrivels or rather loosens them without even irritating the surrounding skin.

Just think! No pain at all; no soreness or smarting when applying it or afterwards. Try a little and see for yourself. It is surprising.

Few drops stop corn-pain

Take soreness from any corn or callus instantly

Women should keep Freezone on their dressers and never let a corn ache twice. If a corn starts hurting just apply a drop. The pain stops instantly, corn goes!

Tiny bottles of Freezone cost but a few cents at any drug store.

SAY KIDNAPER IS NEAR ARREST

Mysterious Actions of G. W. Nichols Lead Police to Believe Him Guilty.

COMES FOR MAIL IN AURORA

The Aurora police are seeking a man known as G. W. Nichols, 26 years old, address unknown. He was here yesterday and night at a year old boy, Harry Eartz, to the general delivery window in the post office for his mail. The post office authorities had been waiting for Nichols to have him explain what he knows about the whereabouts of Harry Adams, 14 years old, who disappeared from his home in Woodstock several weeks ago. When the Eartz boy asked for Nichols' mail he was taken in charge by Postmaster Stoll, but Nichols escaped and has not been located. The police suspect he may be guilty of kidnapping the Adams boy. Charles Adams, father of the missing boy, came to Aurora two weeks ago and told Assistant Postmaster William Rees of the mystery surrounding the disappearance of his boy. He also told him that he had received letters from a man signing himself "G. W. Nichols" and postmarked Aurora. In the letters Nichols hinted that he knew where the missing Adams boy was and suggested that Adams answer his letters and address him in care of general delivery, Aurora. Adams came directly to Aurora and told the post office authorities.

Promised Job Here. In Chicago yesterday Nichols met the Eartz boy on the street and told him that if he would accompany him to Aurora he would get him a job. The boy accompanied Nichols and upon their arrival they went to the post office. Nichols sent the boy to the general delivery with instructions to ask for mail for "G. W. Nichols." Miss Annie Dillon, the postmaster, and the boy were taken into Mr. Stoll's office. Later he was turned over to the police.

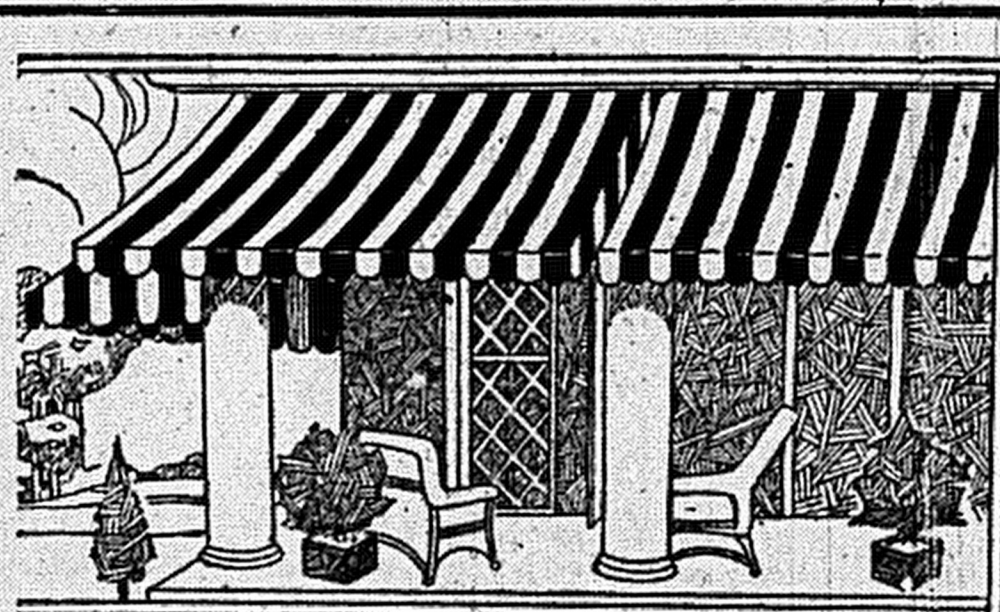

Expect Arrest Soon. "I cannot understand Nichols' mysterious actions," Chief of Police McCarthy said today. "We have learned that the boy worked for several days as a pin setter at the Sylvanville alleys but he has now disappeared. Whether the boy was enticed away from home by Nichols with hopes that a big reward would be offered for his return, we have been unable to find out. We got a line on Nichols this morning and may have him within the next few hours. He will have some explaining to do when we get him."

The Eartz boy who has told the police several different stories, is being held in the women's department at the city jail. The police at first suspected that he was the missing Adams boy but are now satisfied that he is not. The boy says his parents reside in Chicago, but refuses to tell their address.

Some Against Bonus Terms. Sixteen employees of the Stephens-Adams Manufacturing company, laid off yesterday afternoon after an argument with their employers over a 10 per cent bonus offered the men. Under the system put into effect shopmen are given a 10 per cent bonus of their regular pay and whatever they earn for overtime work, providing they work full time. In the event that the men lay off a certain number of hours they are given a pro rata percentage of the bonus. Employees off because of injuries are given the full 10 per cent.

Banjo Orchestra for Dance. A band orchestra will furnish music at the dance to be given in Zouave hall next Saturday evening under the auspices of the Clarendon Dancing club. It has also been announced that the club will give away \$5 in gold Saturday night.

Vegetable Prices Unchanged. Prices of potatoes and other vegetables remained practically the same at the city market in North River street. Only one man had potatoes for sale. He offered old ones at 85c a peck and new ones \$1 a peck. There were four wagons at the mart.

OUR awning, porch shade and hammock departments are very busy right now fitting up porches and homes so people may be comfortable when the hot weather arrives. Are you fixed for comfort?

We sell and guarantee Vudor Porch Shades—the best shade made.

Obituary

Julia Barar. Julia Barar, age 1 year and 7 months, daughter of Mr. and Mrs. John Barar, 224 North Robt street, died this morning at the home of the parents. The funeral will be held Friday afternoon at 1:30 o'clock from the home and at 2:30 o'clock from the Rumanian church. Interment will be in the Rumanian cemetery. The Rev. Father Papp will officiate.

Vesta Ione Grifley. Vesta Ione Grifley, daughter of Mr. and Mrs. George B. Grifley of 28 Blackhawk street, died at the home of her grandparents in Hampshire, Ill., Wednesday, May 23. Death followed a short illness of apical meningitis.

Deceased was 24 years of age and had lived with her grandparents, Mr. and Mrs. H. S. DeWitt most of her life. She was an active worker in the Epworth league of the M. E. church and a member of the Veteran Woman's Relief corps, No. 3, of Elgin.

She leaves besides her parents, two brothers and three sisters. The funeral will be held from the Methodist church at Hampshire.

William S. Blackman. William S. Blackman, 45 years of age, died at the Aurora hospital this morning at 1:30 o'clock. One sister, Mrs. Jacob Meyer, of Montgomery, survives him. The funeral will be held Saturday at 2 p. m. from the Rev. R. H. Claxon of the First Baptist church officiating.

Edmund C. Schuber. Edmund C. Schuber, 57 years of age, died at his home at 137 South River street, last night at 11:10 o'clock. He was employed as a lithographer by the Pictorial Printing company. Besides his widow, there survive him three sons, George of Aurora and Adolph and Fred of Chicago, and three daughters, Lily and Emma of Chicago, and Mrs. Elsie Blohorn, Chicago.

The funeral will be held from the Healy & Healy chapel at 10:30 o'clock Saturday morning, the Rev. C. A. Spelman of St. John's Evangelical church officiating. Interment will be in the Waldheim cemetery at Chicago.

GENEVA HOME ARRIVAL IS PRETTIEST GIRL The prettiest girl who has been in the juvenile court of Chicago this year, and a first offender, was sent to Geneva last night. Hilma Carlson is the girl and she was placed in the Geneva State school to protect her from Leo Seamer, the "man in the case," who was released from custody when Judge Stell vacated his sentence.

Hilma, who is but 15, is infatuated with Seamer, who recently served a sentence for pandering. "It was dreadful," Judge Mary Bartleson said, "to sentence that lovely girl to Geneva. Seamer is bad. He should be put behind bars to insure the safety of Hilma and other girls. If the courts are to continue freeing men, girls must be put away, no matter how little they were to blame. But it isn't just."

GET NEW KIDNEYS!

The kidneys are the most over-worked organs of the human body and when they fail in their work of filtering out and throwing off the poisons developed in the system, things begin to happen. One of the first warnings is pain or stiffness in the lower part of the back; highly colored urine; loss of appetite; indigestion; irritation, or even stone in the bladder. These symptoms indicate a condition that may lead to that dreaded and fatal malady, Bright's disease, for which there is said to be no cure.

You can almost certainly find immediate relief in GOLD MEDAL Kidney Oil Capsules. For more than 200 years this famous preparation has been an unfailing remedy for all kidney, bladder and urinary troubles. Get it at any drug store, and if it does not give you almost immediate relief, your money will be refunded. Be sure you get the GOLD MEDAL brand. None other genuine. In boxes, three sizes. Adv.

GAS CO. OFFICERS VISIT MINE BOUGHT IN SOUTH

Carroll Miller, general manager of the Western United Gas & Electric company; R. N. Strohn, treasurer; W. W. Willett, assistant general manager; F. M. James, auditor, and B. P. Alschuler, attorney for the company, all left yesterday afternoon for Huntington, W. Va., where they will formally take over the mining property recently purchased by the Western United.

As was explained in these columns several weeks ago, the coal situation had become such that it was necessary for the gas company to purchase a mine in order to procure the quality and quantity of coal necessary for the coking plant at Joliet and which supplies gas to all the towns supplied by the Western United. The balance of the purchase price was to be paid today and Western United officials were to take formal possession of the mine.

No Successor to Blackwell. No successor has been appointed as yet to take the place of T. S. Blackwell, local passenger agent for the North-Western railroad, who will be transferred to the Chicago office of the company June 1. C. J. DR. SCHWINGLE WEDS MISS ROSABEL KING

Miss Rosabel King, formerly superintendent of nurses at Aurora hospital, and Dr. W. H. Schwingle of this city were quietly married today at 1 o'clock at the home of the bride in the town of Kings. Only relatives of the bride and a few personal friends of the groom were present. The ceremony was performed by Dr. Blanchard of Wheaton college, who also officiated at the wedding of the bride's parents. The wedding occurred in the old homestead where generations of Kings have lived and died.

The bride is a graduate of Rockford Medical college and is a post-graduate of Bellevue and Presbyterian hospitals, Chicago. After a short wedding trip Dr. and Mrs. Schwingle will be at home in Aurora at 185 South Fourth street.

MOOSE RAISE FLAG

A 7x14 foot flag was raised over the L. O. O. M. lodge hall in Island avenue at 7 o'clock last night. Superintendent Adams of Mooseheart and Supreme Secretary William Trickett Gilles spoke on "Patriotism."

Several hundred people witnessed the ceremony. The Mooseheart Boys' band played several selections and the Zouaves from Mooseheart drilled in front of the building. After the program all those from Mooseheart attended the Fox theater as the guests of Superintendent Adams, and were later served refreshments at the Moose hall. They returned in a special car at 10 o'clock.

Don't Poison Baby.

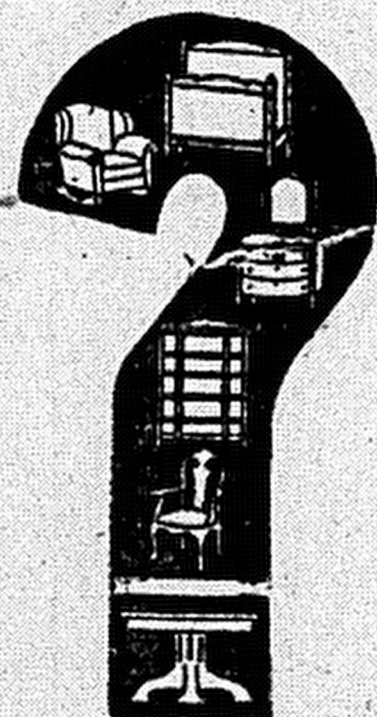

Forty years ago almost every mother thought her child must have PAREGORIC or laudanum to make it sleep. These drugs will produce sleep, and a FEW DROPS TOO MANY will produce the SLEEP FROM WHICH THERE IS NO WAKING. Many are the children who have been killed or whose health has been ruined for life by paregoric, laudanum and morphine, each of which is a narcotic product of opium. Druggists are prohibited from selling either of the narcotics named to children at all, or to anybody without labelling them "poison." The definition of "narcotic" is: "A medicine which relieves pain and produces sleep, but which in poisonous doses produces stupor, coma, convulsions and death." The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cordials," "Soothing Syrup," etc. You should not permit any medicine to be given to your children without you or your physician know of what it is composed. **CASTORIA DOES NOT CONTAIN NARCOTICS**, if it bears the signature of Chas. H. Fletcher. Genuine Castoria always bears the signature of *Chas. H. Fletcher*.

Let Us Settle the Furniture Question For You

PUT your trust in men who know. You cannot become an expert on furniture, but you can deal with a house that sells on honor, as we do, and feel that what you buy is the kind you want. Also, that the price is as low as shrewd buying and careful business judgment can devise.

You should not judge furniture by the price. If price were the criterion by which furniture should be judged, then quality would be a matter of figures. The furniture we sell is the kind in which the quality is put in before the price goes on.

NO VOLUNTEER ARMY RECRUITS AFTER JUNE 5

Men who have reached the age of 31 years who desire to enlist will have to do so before June 5. Col. Charles Greene, Third regiment, said today. After that date enough men from the draft army of 500,000 will be transferred to the militia of the country to put all of the regiments up to full war strength. No volunteers will be accepted after registration day under the present plans of the government, Colonel Greene said. There are a large number of men between 31 and 35 years of age who want to go to the front, but they must enlist between now and June 5, the colonel said.

JOLIET AND ROCKFORD BOTH TO COMPETE HERE

Joliet and Rockford high schools will both be represented in the first track and field meet of the Northern Illinois High School conference at the Driving park here next Saturday afternoon. It was announced today that the schools will have two or three men in the meet.

The entries for the meet have been sent to Principal Goble of the Elgin High school, but have not yet been made public. Seven schools, East and West High of Aurora, Elgin, Joliet, Freeport, Rockford and DeKalb will compete.

DARCY WILL RECOVER

Memphis, May 24.—Les Darcy will recover and will be out of the hospital in a few days, his physician announced last night, after the Australian boxer had spent the best night since his condition became critical, several days ago. Darcy's case of pneumonia is about broken, the doctor said, while the blood poisoning which resulted from an infected tooth and tonsil also is being driven out of his system.

The Bird's Defense.
Dare ye not enter in; I will not listen to ye. Accomplish to thy sin. The mocking bird is pouring. Here music from his throat. And yet he doesn't try to cash. A single liquid note. The world is rich in springtime. There's wealth in Maytime's breeze. How can ye speak of money? On such a day as this?

Stop, Tallor, in the doorway.
Begone before I faint! I will not listen further. To such a drear complaint. There's gold in summer's sunshine. Her stars are silver hues. Her morning ruse is studded. With diamonds of the dew. There's wealth aplenty for ye. And yet ye come today. To rob a hungry poet. Of half a season's pay? Begone, begone, collectors! The wealth of all the world is out there in the meadows. With diamond dew empearled. Go forth and reap thy harvest. Where yellow tins unfold. Where every drifting sunbeam. A shaft of shining gold. Go forth and reap thy harvest. Where gold and silver shine. Or follow up the mocking bird. An take his note for mine!

L. E. H.—There will be no amateur golf championship at Oakmont this season. But there will be a national patriotic tournament, with the majority of the country's leading players on hand. Apparently there will be very few misleads, as so far very few of the leading golfers have enlisted. Just how many will be nabbed in the draft is another matter, as several of the best are draft eligibles and stand there likely to be taken.

Ball Players and Army Standards.
"The fact that Willie Williams, former champion, was turned down for some physical fault was a surprise," writes an observer. "But there will be an even greater surprise when star ball players come up for physical examination. Any number of these, supposed to be perfect specimens of physical manhood, will also be cast aside. One of the main defects will be bad hands. Most ball players who have served three or four years have broken fingers or crooked fingers, which will render them ineligible for service. Others have bad legs, unfit for long marching. It should say that fully 20 or 40 per cent of ball players will be unable to pass an army examination."

AURORA BOYS IN BIG MEET

Athletes From All Sections of Country Will Compete in Stagg's Interscholastic.

MANY STARS ARE ENTERED

Chicago, May 24.—A flood of early entries has encouraged the managers of the Stagg interscholastic to predict, despite the war, the biggest meet in years. The Stagg track contests and tennis championships, to be staged for prep athletes on June 2 at the Midway, are the only large affairs of their kind in the country this year, and they will, according to present indications, be national in scope.

The prep men who have signed up thus far—over 150 of them—are more widely distributed in territory than usual. The south is well represented along with the far west, and a team of six men from Kentucky, N. J., and another from Washington, D. C., are among several far east delegates. The first name on the entry list is that of Q. W. Wilson, a hurdler from Medford, Ohio. Following closely are those of half a dozen men representing the Hardin school of Dallas, Texas.

Noel Irving's entry blank has been thrown from Rupert, Idaho. Irving has thrown the javelin 174 feet 8 inches, a record which only two or three college men in the west can equal. Addams, from Manteno, Ill., is another star who has signed up. The Manteno lad set a record in the high jump in last year's meet at 6 feet 8-16 inch, and probably will better that mark this year. He also is a first-water man in the other field events. Tennis entries are numerous and wide spread.

A commission of 100 students is arranging an elaborate program of entertainment for the prep stars. The campus will be thrown open to the athletes, the fraternities houses used to accommodate them, and the Midway facilities employed for their pleasure. Coach Stagg expects about 700 entrants all told.

Both East and West High school of Aurora are expected to enter.

WINNER OF LOCAL BOUT TO GET A SAGERS MATCH

Jack Sager, local boxing promoter, who is showing Spike Kelly and Joe Koeka over the 10-round route at his open-air boxing arena on the corner of Madison and Broadway, yesterday wired Doc Krohn and Jimmy Kilroy, managers of the fighters, that he would offer the winner a match with Ted ("Kid") Lewis at his club June 17. Sager states he has closed with Lewis, so it is up to Kelly and Koeka. Kelly started work at the Arcade in Chicago yesterday.

BOB SIMPSON ENLISTS

Columbia, Mo., May 24.—Bob Simpson, world's champion hurdler and holder of several other track records, yesterday joined the University of Missouri unit of the American field ambulance service for duty in France.

CLAIMS CICOTTE USES SHINE BALL

Chicago, May 24.—The first 1917 appearance of the Senators yesterday at Comiskey park produced a 3 to 1 victory for the White Sox. As the score indicates it was a tight fit, with in theory at least the Sox were entitled to more runs, as Jim Shaw, besides permitting six hits, issued six passes. Eddie Cicotte pitched unhittable ball, yielding just four safe blows.

It would have been a shutout for the locals had not Weaver and Rieberg, crossed each other on a dinky fly back of third. Each thought he could get it, but neither did, and a runner trotted over the plate in the second inning.

As usual when the scrappy Griffith revisits his former home there is considerable rustling of the scenery. Yesterday was no exception, and after the battle was over the manager insisted that he had not been beaten on the level. It was Eddie Cicotte's "shine ball" which did the trick, and this morning President Johnson will have the telltale pill on his desk as evidence.

The ball, according to Griffith, will show a smooth and rough side. The horsehide in question had been pitched only once and hit once. Griffith doesn't charge that Cicotte used emery or anything like that, but he insists that no normally constituted ball could possibly stage a fox-trot between the slab and the plate. That is what they all did yesterday, so the uncanny performance came under the scrutiny of Griffith and his hired men about every other pitch.

CUB BOSSES SEE THEIR TEAM LOSE

New York, May 24.—The skidding Cubs finished second in their pastime duties for the fifth straight time yesterday when they dropped the first game of the crucial Giant series, 5 to 3.

To make matters more humiliating President Weegman and a select party of Cub stockholders, including "Gumshoe" Bill Wirtley and Bill Walker, witnessed the contest, coming on here especially to see their employees perform, the plans having been made when the Bruins won 10 straight.

Vaughn Goes Wrong.
The best alibi for the black trimming is Jim Vaughn, Mitchell's hasty southpaw. The boss has been "priming" him to hurl the first game of this series since the Cubs hoisted into the pennant race. He was knocked off the mound in the second inning after the Giants had scored four runs. None other than the Great Zim drove in the first home of hostile managers, this happening in the first when three runs were pushed over. The fourth tally in the second caused Vaughn to exit in favor of Claude Hendrix. Ferdie Schupp, the midjet southpaw on whom McGraw and the experts are counting to win the pennant for Greater New York, was the center of the home attraction, and he did not show any signs of great throwing ability, even though he did win. The Cubs bagged eight hits off him, which is one more than the Giants plucked off the combined tossing of Vaughn and Hendrix. The trouble with the Cubs was that they couldn't get their hits at the opportune moments, whereas the Giants hit when the hitting meant something.

CONFERENCE MEET

(By Associated Press Leased Wire.)

Chicago, May 24.—Teams representing the Universities of Ohio, Illinois and Chicago, Purdue University and Kenyon college were entered in the western conference tennis championship to be held on the University of Chicago courts today, tomorrow and Saturday. Because of the cessation of sports at the universities of Minnesota and Wisconsin, these institutions were not represented and no teams represented Northwestern university because the ranks of its athletes have been depleted by enlistments.

Followers of the sport asserted that Illinois and Chicago probably would be at the net in the finals of the doubles, while some seemed willing to choose between Clark of Chicago, Zuch of Ohio and McKay of Illinois in the singles matches.

It might be said that it takes a smart man to put even a good theory into practice.

INTER-STATE DOCTORS

Use Battle Creek System Treating Chronic Diseases.

SANITARIUM METHOD CURES WHEN DRUGS FAIL

For ages, people have been obsessed with the idea that when sick, it is necessary to swallow poisonous drugs to get well; but a more false doctrine was never taught, say the Inter-State Doctors, the specialists of Aurora who have their offices on the second floor of 106 Main street, over Holmes Bros. drug store. They have five treatment rooms equipped to treat nervous and chronic cases by the newer methods. Treatments are given with sympathy and with the sincerity which springs from an earnest desire to help afflicted people. Women treated by Lady Assistant. Visitors accorded same careful treatment as our regular patients. Single treatments, \$2.00. Consultation and examination, no charge. No more operations for diseases of women, goiter or thick neck, tumors, etc., as these diseases are treated and cured without the knife or pain by adjusting the abnormal condition to normal by this new physical method. Many who find it impossible to relax, the result of spinal irritation or painful affections, as neuritis, rheumatism, asthma, etc., report that they were relieved of all nervous tension and pain in one treatment. Others who were badly run down in health say they rapidly gained in health, the treatment improving digestion, purifying the blood and toning the entire nervous system. Long standing and deep-seated diseases have been cured to stay by making proper adjustment, treating the nerves and restoring vitality to the weak parts. Then a special treatment of corrective exercise and certain forms of massage that removes the poison from the blood, gets it out of the system. The patient uses it at home and treats himself.

The Inter-State Doctors have the finest and very latest inhalant method—OZOLINE TREATMENT—for diseases of the ears, nose, throat and lungs. They want every person afflicted with catarrh, deafness and head noises to try the treatment one time free as they have cured the worst cases of catarrh, relieved head noises and restored hearing to many people in Aurora who were afflicted for years. They invite those suffering with chronic diseases and weakness of any kind especially those suffering with high blood pressure or any weakness of the heart and those afflicted with kidney and bladder trouble—especially where they have disturbances of the stomach causing indigestion and fermentation that is throwing extra work on the heart and kidneys. If you have suffered long from a complication of diseases from which you are not being cured they ask you not to give up until you have given this treatment a trial. Many say it is something different from anything they have had in the treatment line.

The Inter-State Doctors' equipment for treating the same is permanently installed on the second floor of 106 Main street and the hours are from 9 a. m. to 9 p. m. all day, except Sundays, 10 to 12 only. These long hours are necessary to accommodate all who apply for treatment, many from out of town who are taking treatment from these specialists.—Adv.

PARISH SCHOOL PUPILS MARCH

Crowds Watch Children in Costumes Pay Respects to Grand Army and Flag.

MORE PATRIOTIC PROGRAMS

Crowds gathered in front of the Fox theater this morning as more young Americans—children of the parochial schools—marched thru the streets to pay their annual tribute to the veterans of the civil war.

About twenty youngsters of St. Joseph's school arrived as Uncle Sam, attracted great attention in their patriotic garb, and a steady influx of people toward the theater began that continued until all had passed in. As on the preceding days flags were distributed to the children by the soldiers.

Young America "Holds the Fort." John L. Walker, in charge of the program for the G. A. R., greeted the pupils.

"I wish to say to the fathers, sisters and all pupils of the parochial schools that you all know the purpose in assembling here this morning. It is to meet with the remnants of the old boys. While your numbers are daily increasing, our ranks are decreasing, and it has been found necessary that to have this annual gathering the children come to us rather than that we go to them."

"It is not that we are lacking in spirit, for the spirit of these boys is just as strong as it was in '61, but the flesh is weak. We realize that it is your American spirit that makes you want to see the members of the old guard, who have made possible this country. In which you enjoy so much today, it is a great joy to me to see so many happy faces, and also we have started somewhat late, I pray that no part of the program will be neglected. We are in possession of this theater and an army cannot drive us out."

The Rev. Father F. A. Kilderry, of St. Mary's church took charge of the program for the schools, which was opened with a drill by the girls marching club of Holy Angels school. The girls in red, white and blue dresses, carrying banners reading "Holy Angels" went thru an army drill with such exactness and finish as to call for prolonged applause.

Former Aid. James Sanders instructed the girls in the intricacies of the drill. In perfect time they formed a cross on the stage while three little tots representing the various branches of national service marched to the front of the stage.

DR. GABLE

THE NOTED CHICAGO SPECIALIST is at the Bishop Hotel on his regular Monthly Visit and Will Remain Until 100 P. M. Saturday, May 26.

Dr. Gable is making these visits here to explain to people suffering with chronic diseases, his Neopathic system of treatment, which he discovered and originated by him several years ago. This new system of treatment removes diseases from the body, by eliminating the poison, by treating the nerves and the blood, and restoring vitality to the weak parts. He has spent years of his life working out this system of treatment and he is having the most remarkable success in many very severe cases. He invites every person suffering with chronic diseases or weakness of any kind especially those suffering with high blood pressure, or any weakness of the heart and bladder trouble—especially where they have disturbances of the stomach causing indigestion or fermentation that is throwing extra work on the heart and kidneys. If you have suffered long from a complication of diseases from which you are not being cured they ask you not to give up until you have given this treatment a trial. Many say it is something different from anything they have had in the treatment line.

to come to him and let him explain his new system of treating catarrh to them. He believes he can cure every case with this treatment. Dr. Gable is a graduate physician of one of the leading medical colleges in the United States, has spent five years in foreign study and practice, and is a regularly licensed physician under the State Board of Health of Illinois. He is reliable. He does not claim to cure all cases of chronic diseases; that is why he must make a personal examination of your case. He invites you to come and let him make a thorough examination and tell you exactly what your trouble is, how far it has gone, and whether or not it is curable. He will make no charge for this. He is making regular monthly visits to Aurora, and has had the most remarkable success in many of the worst chronic cases. It costs nothing to get his professional opinion.

school in a recitation, "A Pleasant Hour at the Beach," assumed the role of a distracted mother with an anxiety that brought smiles to the faces of mothers in the audience. She was heartily applauded.

Pupils Drill Perfectly.

Equipped with arches in the nation's colors, the patriotic drill service of the St. Nicholas school was vociferously delivered in formation after formation which would have seriously tried a soldier in the regular army, the pupils drilled perfectly. As a grand finale to the drill, the boys of the school marched upon the stage and "Hark the Drums 'Aye Rolling" was sung in unison.

Aided by colored lights, the scarf and flag drill by the St. Joseph's school presented a pretty picture. The dainty pink and green garments of the girls were thrown into relief by the playing lights. The boys were dressed in the popular garb of Uncle Sam. Three of the children, dressed respectively in solid red, white and blue, told the soldiers why they brought the flag to them. "Bonny Flag" was sung in chorus.

The high school girls of St. Mary's school recited a "Tribute to Columbia's Heroes." At the command, "Bring hither the Star Spangled Banner," the flag was brought in and held in the center of the stage during the singing of "Columbia." They were followed by the eighth grade of St. Mary's school in a wand drill. Clustering around the flag, they sang, "Just Before the Battle Mother." The boys of St. Mary's gave a recitation, "Old Glory," and sang "Fall in Line."

Songs and a recital featured the program for Our Lady of Good Counsel school. Elizabeth Jacobs was letter perfect in her recitation of "Declaration Day." "America First" and "The Magic Name of Illinois" were recited enthusiastically.

The Rev. Father Kilderry addressed the soldiers for the schools.

In behalf of the parochial schools of Aurora and their teachers, I present greetings to the members of Post 26, Grand Army of the Republic," he said. "I might say that I present greetings, but the children who have participated in this program have done so more forcibly than I."

"We have been told that the members of the G. A. R. are decreasing in number but their spirit is still strong, and they would be found in the front ranks today were it not for their age."

"I wish to say that Illinois, of all the states in the union, stands first in the number of volunteers in the present crisis. That is more indication of the patriotism of Illinois than anything else could possibly be."

"We are happy and glad to be able to greet the members of the G. A. R. and especially to show our appreciation of the soldiers who have made possible our one grand and glorious United States of America."

Alliance to the flag was pledged in the following words by the students:

"I pledge allegiance to my flag and the republic, which it stands for. One nation, indivisible, liberty and justice to all. One God, one country, one flag."

Mr. Walker was presented a beautiful basket of carnations and roses by the girls of St. Mary's school.

Short talks were given by the veterans which were roundly applauded, and the usual reel of pictures was furnished by Manager Rubens.

The veterans were greatly pleased with the exercises. "We never heard better," they said.

PRIEST ASSAILS THE UNPATRIOTIC

Americans Must Stand Together Regardless of Church or Political Belief, Says Fr. Noll.

The Catholic hierarchy has spoken and pledged to President Woodrow Wilson the clergy, the sisters and the people," the Rev. John Noll said at St. Nicholas church last night. "The Guardians of Liberty and their like ran to their hiding places."

"I love my country and I cannot endure the American people deceived by those who organize in the dark and plot in secret, to cover their own sins."

"The pages of American history are brightened by the deeds of Catholics from the time of the founding of this country. The Catholics are loyal. The loyalty of Catholics to the United States has always stood out. In the war of 1861-65, were not most of the great generals excepting Gen. Grant, Sherman, Shields and others?"

Even had the pope ordered himself as commander of the Spanish army and navy, the Catholics of the United States would have fought against him.

"Better than one-third of the regular army are Catholics, two-fifths of the navy, and the American people are Catholics. The Catholics are one-third of the members of the national guard on the Mexican border during the Mexican flury last year were Catholics. If the religious connections of the soldiers of this war are listed, after the war, the Catholics will be in proportion have the most enlistments and men in the service."

"We have every reason to suspect the patriotism of those who band together in secret using a high-sounding name for their organization."

"You will find on the battle lines, the soldiers, the sailors, the German and the Polish leading in the fighting, and everyone either of foreign birth or a descendant of those of foreign birth, who are opposed by the secret un-American societies. These are the men our country must depend upon in the hour of need."

"We are not alarmed because our country is at war. We are excited because of our love for the country we are obligated to. There is a picture—pointing to the Stars and Stripes—on which the eyes of the people of foreign lands are feasting."

"We must be awakened to realize that we are at war and that the situation is most serious. We need breezes of enthusiasm to fan into flame the spirit of enthusiasm in our hearts. We almost had a feeling of disgust with the German and the German who would remain an European. He hoped it would remain an European. It exploded and got over here."

"We need, pat cases to arouse the people so they may know that it is a most serious affair. This war will not be won by big headlines in newspapers, nor by constant flying flags. We are not sure we are on the winning side. Safety first demands that we be for America first and for America alone. (A mention was made of Germany's victories and one man applauded). A moment later 800 applauded a remark applied to this country."

"The United States alone today could not whip either England, France or Germany. We are a great nation, unprepared. No matter how big we are, if not trained. Few of us have seen actual service and it is plain that we couldn't combat with a trained force. We need more professions of faith and more active service."

"There will not be any anti-English sentiment by the Irish of this country, even the England has been the enemy of the Irish for one thousand years. The Irish Germans and Polish will fight for the United States. Despite the feeling against England we will fight with them while this country is in the war. The German leaders have publicly declared that they will fight with them while this country is in the war. The German leaders have publicly declared that they will fight with them while this country is in the war."

"We can all render some kind of patriotic service. We are in it; it is our duty; it is our affair. We are going to win or lose. Unless we get interested we will lose. Our country needs us. Let all do something to make for the success of our country. We love our country because we know the benefits we get from it. Let this be your slogan. You have done much for me Old Glory, I'll begin to do something for you."

The Sterling Club—The Sterling club was entertained yesterday by Mrs. Gordon Dugdon in honor of her mother, Mrs. M. E. Woolf, a member of the club. Luncheon was served at 1 o'clock, carried out in red and green. The flowers used about the house were lilacs and sweet peas. There were cards later, the scores going to Mrs. George Youker and Mrs. Charles Judd. Mrs. H. G. Logan, Mrs. Fred Stolp, Mrs. J. M. Eby and Mrs. D. B. News in Brief

Auto Thieves Amateurs.—The police believe that the automobile thieves who broke into the garage at the home of Adam Weber, 474 Benton street, Tuesday night and stole a first-classer touring car were amateurs. The one who tried to start the machine after it was pushed a block away from the home could not have been a professional automobile thief as he did not understand operating the car, they say. The self-starter was broken and the thieves were compelled to abandon the car.

One Tater Draws Fine.—Leo Mason, 30 years old, arrested Tuesday night on a charge of carrying concealed weapons, was fined \$10 and costs by Police Magistrate Barlow yesterday afternoon. The police were told that Mason was carrying a revolver. The weapon was found in his possession when he was placed under arrest.

Gets Job Instead of Fine.—George Harris, 24 years old, was brought before Police Magistrate Barlow yesterday morning to answer a charge of being intoxicated. "Judge, what I want is a job and not a jail sentence," Harris told the magistrate. The latter continued the case and this morning got Harris work in a local factory. The charge was dismissed.

Gardner Wins Judgment.—David L. Gardner was given judgment for a \$98 commission yesterday afternoon in Justice Dutton's court for finding a buyer for Earl A. Krause, with whom he had a contract for the sale of his house and lot at 336 Fox street. The court held that Gardner had fulfilled his contract as he found a buyer in John Gasper, who deposited \$25 with Gardner to bind the bargain. Gasper claimed that the lot was only 11 1/2 feet wide instead of 45 as was represented. Justice Dutton decided that the contract was binding and Gardner having fulfilled his part of the agreement was given judgment. Attorney Harvey Gonsul represented Gardner and John Peffer was counsel for Krause.

Loose His Clothing.—Roy Luster, residing in the rear of 136 North Broadway, reported to the police last night that someone broke into his home and stole a pair of blue serge trousers, a silk shirt and a pair of tan shoes. He suspects some one residing in the neighborhood.

Seek Asylum Fugitive.—The Aurora police were asked this morning to be on the lookout for Frank Nolan, 29 years old, who escaped from the state hospital for insane in Elgin. He was last seen at South Elgin, where he begged a hat. Nolan was sent to the asylum from Chicago.

Smith, 30 years old, a teamster formerly in the employ of J. S. Ralston & Co., is being sought by H. O. McKinley, a secondhand dealer. McKinley claims that Smith stole clothing valued at about \$26 from his store. The police of Galesburg, Smith's former home, have been notified to watch for him there.

SAILOR RECRUIT FEARS TO GO HOME

Rejected After Being Accepted Here and Given Big Sendoff by Sugar Grove Folk.

Tried Also to Get in Army—His Strapping Boy Friend's Sound Heart, Medical Examiners Say.

Ralph Coddington, a strapping big boy from Sugar Grove was not afraid to enlist but he is afraid to go home. Ralph was rejected by the medical examining boards of the navy and the army after he had told the folks back home that he was going to war and had been given a big sendoff.

There is a girl too, in Sugar Grove. It is said who promised to wait until Ralph came home. But the doctor said he his heart was not sound.

Ralph enlisted in the local branch of the Navy league last Saturday. The next day he went home. It was then that he told that he was to fight for Uncle Sam and that he would leave Tuesday. Friends arranged a farewell party for Monday night and all of the young people of "The Grove" turned out. There was dancing and a luncheon and tender adieux.

Tuesday Ralph went to the navy recruiting station in Chicago, only to be rejected. He was stunned. The thought of the army and hastened to its recruiting office. Again he was turned down. It made him sick.

Out of a job (he had given up a position as an operator for the Burlington); fearful for the first time of his health, and more fearful of his friends, he knew not which way to turn.

He finally summoned courage to come back to Aurora because he knew that a number of boys from here who had enlisted with him had also been rejected, and misery loves company. But he didn't go on to "The Grove." But he will go. Sympathy is the balm he longs for. And the folks at home are understanding.

"CAN'T CUT OFF MY LEG," SAYS RAILROAD ENGINEER

"I am a railroad engineer; about 20 years ago my leg was seriously injured in an accident out West. Upon my refusing to allow the doctor to amputate it I was told it would be impossible to heal the wound. I have tried all kinds of salves and read many doctors in the past 20 years, but to no avail. Finally I resolved to use PETERSON'S OINTMENT on my leg. You cannot imagine my astonishment when found it was doing what over 100 things had failed to do. My leg is now completely cured."—Gus Peterson, 198 Myrtle Ave., Brooklyn, N. Y.

It makes me feel proud to be able to produce an ointment like that, says Peterson. "Not only do I warrant Peterson's Ointment for old sores and wounds, but for rheumatism, ulcers, itching skin and all kinds of skin diseases. It is a price all can afford to pay and money back from your druggist if not satisfied."—Advertisement.

HALT CITIZENSHIP TO GERMAN BORN

Two Applicants for Naturalization Have Cases Delayed Pending War Ruling.

Legal Problem Is Whether Citizenship Can Be Granted to "Alien Enemies."

Two Kansas county men—Edward Klueber, and Isadore Joseph Bluel—who were born in Germany and candidates for United States citizenship and declared to have successfully passed the examinations, had their cases continued today by Circuit Judge Massini Shuster, sitting at Geneva, who gave as reason for continuance "the probable test case in some part of the country to have a decision on whether or not an alien from a country with which the United States is engaged in war can be naturalized during this war, even though he applied for citizenship before the war was officially declared."

Seventeen applicants for naturalization were admitted to citizenship, five including the two mentioned, had their cases continued, and two had their petitions dismissed.

Seventeen New Citizens. The 17 brand new citizens are: Albert Swanson, Frank Tuchen, Eric Lundgren, Joseph DeHulters, Frank Swicki, Nels Larson, Gustaf Anderson, Frank Olson, Harold Anderson, John Ahlgren, Joseph Lourenas, John Walczuk, John Neiler, Henry Gould and Baltronis Galkis.

After these men had renounced their allegiance to the kings and queens of the countries they were born in Judge Shuster charged them with their duties and responsibilities as American citizens.

AFTER EIGHT YEARS

Aurora Testimony Remains Unshaken. Time is the best test of truth. Here is an Aurora story that has stood the test of time. It is a story with a point which will come straight home to many of us.

Mrs. C. A. Burgess, 406 Spring St., says: "I suffered with rheumatic pains and kidney trouble for some time, and was unable to find anything that would give me any relief. I was often very stiff and lame. My back ached. Finally I read of Doan's Kidney Pills and tried them. They gave me relief in a short time. The pains in my back left and the rheumatic pains were relieved. (Statement given March 17, 1909).

No Trouble Since. On March 21, 1917, Mrs. Burgess said: "I have the same good opinion of Doan's Kidney Pills now as when I endorsed them before. I have not had any return of my former trouble in all this time."

"While I was in that dreadful

camp, I learned the art of making

bandages and how to help the men

in distress," said Miss Wehlen.

Movie Notes

Actors, it is asserted, sometimes become so familiar with their lines that once in a while they completely forget them. A striking example of this occurred recently in Boston when Robert Carson, who plays the part of the detective wonder serial, "The Great Secret," starring Francis X. Bushman and Beverly Bayne, gave a talk to the patrons of the Fenwick

theater, explaining some of the interesting details in connection with the great serial. "Take the name of the great director who is producing the picture," said Carson. "Nearly everyone pronounces it incorrectly."

THE EFFICIENCY TEST

Is Fully Met by Hood's Sarsaparilla and Pepticon Pills.

Because of what it contains, of the way it is made and of the record it has achieved, Hood's Sarsaparilla is warmly recommended to you for rheumatism, catarrh, eczema, and other troubles arising from impure blood or low state of the system. In cases that are radically anemic and nervous—marked by paleness, thin flesh, sleeplessness, nerve-exhaustion, the power of Hood's Sarsaparilla is greatly increased by Pepticon Pills, the new peptin, dux and iron tonic. These two medicines make the strongest combination course of treatment for the blood and nerves of which we have any knowledge.

Fine results follow this course of treatment—take Hood's Sarsaparilla regularly before meals, Pepticon Pills after meals.

Thousands of families are taking these medicines! Let your family take them, too. Get them now—Advertisement.

He proceeded to tell the various ways in which William Christy's Cabanne's name is mispronounced. "Now this is the way it should really be spoken," said Carson. He opened his mouth, but no sound came forth. For the life of him he could not remember the correct pronunciation of the name of the man under whom he had worked for months and whom he had addressed properly every day in all that time. Carson was obliged to walk off the stage, leaving the patrons of the Fenwick theater in the dark as to the right way to say "William Christy Cabanne." Incidentally the famous St. Louisan pronounces his name as if it were spelled Ka-ba-nay, with an accent on each syllable.

Born in Italy, now an American citizen with a French face and an Irish name, Danny Hogan, head property man of the Metro-Roite studios, should by all counts be suffering with international indigestion.
